Medina, Saudi Arabia | +966 59 954 7018 | [Faisalzaman7@hotmail.com](mailto:Faisalzaman7@hotmail.com)

## Objective

A Diploma graduate in Electrical Technology with over two years of experience, including working with Saudi Aramco in oil and gas fields. I aim to enhance my skills and contribute to a safe work environment by adhering to the highest standards of quality and safety.

## Education

**Saudi Petroleum Services Polytechnic [ SPSP ]**  
Diploma in Electrical Technology.

**Dammam**  
Feb 2021 – Feb 2023

## Work Experience

**Dammam & Oil fields**  
May 2023 – to Current

- **I Worked for one year in the workshop performing electrical maintenance, diagnosing faults, and preparing downhole tools and surface equipment.**
- **Transitioned to field operations (rigs) for another year, focusing on the installation, inspection, and support of electrical systems and safety devices at oil and gas sites.**
- **Adhered to Schlumberger's strict safety and quality standards while operating in high-pressure environments Managed by Saudi Aramco.**
- **Collaborated with cross-functional teams to ensure operational efficiency and maintain equipment reliability.**

## CERTIFICATES AND COURSES

OSHA General Industry Safety and Health Course	S.G. Fast Track
Engineering health and safety	Level 3 - City & Guilds
Principles of electrical and electronic engineering	Level 3 - City & Guilds
Maintenance of utility systems	Level 3 - City & Guilds
Detailed fitting of materials	Level 3 - City & Guilds
Maintenance of electrical equipment and systems	Level 3 - City & Guilds
Engineering principles	Level 3 - City & Guilds
Working safely in an engineering environment	Level 2 - GQA Qualifications
Using and communicating technical information	Level 2 - GQA Qualifications
Carrying out engineering activities, efficiently, and effectively	Level 2 - GQA Qualifications
Producing component using hand fitting techniques	Level 2 - GQA Qualifications
Writing and testing electrical equipment and circuits	Level 2 - GQA Qualifications
Assembling, wiring and testing electrical panels/components mounted in enclosures	Level 2 – GQA Qualifications
Building Security	HADAF

## SKILLS

- Ability to work under pressure
- Strong teamwork skills
- Commitment and discipline in the workplace
- Fast learner and adaptable to different work environments
- Effective communication skills
- Leadership skills
- Attention to detail and accuracy
- Problem-solving abilities
- Maintaining a safe work environment
- Knowledge of occupational safety standards
- Electrical systems maintenance
- Troubleshooting and fault diagnosis
- Installation of electrical and safety devices

## LANGUAGES

- **Arabic:** Native Language.
- **English:** Full Professional Proficiency.
