Best-in-Class Design

Bold elegance that makes a lasting impression

The Arrizo 8 captures modern automotive design with a bold blend of elegance and performance. Its wide stance and sharp lines give it a confident road presence. Distinctive contours extend from the signature grille, emphasizing width and stability, while the sculpted sides reflect its youthful, upscale character.

A diamond-patterned front fascia with chrome accents adds a refined edge, leading into sleek lines that flow to the twin rear lights—seamlessly joined by the Chery emblem. The result is a sporty, aerodynamic design that commands attention.

- Intelligent LED headlights with integrated turn signals for enhanced safety and visibility
- Welcome lighting for a refined touch every time you unlock the car
- 18-inch five-spoke alloy wheels for a sportier performance

Sporty Design Enhancing Performance and Stability

The Arrizo 8 embodies dynamic design philosophy with its carefully crafted aerodynamic structure, enhancing airflow and improving efficiency. The diamond-patterned front grille with chrome accents gives it a bold presence, while its balanced ground clearance ensures perfect stability without compromising its sleekness. The sporty identity is completed with large, athletic wheels and sharp side lines, balancing performance and design seamlessly.
