

# **Abdullah AlSabi**

Senior Security Consultant | Former Lieutenant Colonel – Saudi National Guard

## **Professional Summary**

Distinguished security leader and retired Lieutenant Colonel with over two decades of experience managing strategic, operational, and tactical security operations across key regions of Saudi Arabia. Delivered mission-critical risk and security solutions in diverse environments—from oil-sensitive zones in the Eastern Province to active conflict areas on the Southern Border. Proven ability to lead joint-force operations, implement national-level security strategies, and develop crisis response frameworks under extreme conditions.

## **Key Skills**

- Security Operations & Force Protection
- Crisis Management & Rapid Deployment
- Cross-Border Intelligence Coordination
- Joint Force Command & Tactical Leadership
- Stakeholder Communication & Planning
- Threat Assessment & Security Audits
- Regional Operations Planning

## **Professional Experience**

- Senior Operations Officer – Southern Border (Najran) 2018 – 2022
  - Led front-line operations during border conflicts and insurgent threats along the southern frontier.
  - Coordinated live threat intelligence, drone reconnaissance, and rapid response with elite units.
  - Secured critical outposts and civilian zones during high-alert missions.
  - Developed terrain-specific threat mitigation strategies for mountainous and border areas.
- Task Force Leader – Peninsula Shield Mission, Eastern Province & Bahrain 2016 – 2018
  - Participated in the multi-national Peninsula Shield operation in Bahrain during the 2011 unrest.
  - Deployed as part of a joint Saudi-GCC task force to secure government and critical infrastructure assets.
  - Managed troop logistics, crowd control strategies, and coordination with local security forces.
  - Ensured compliance with rules of engagement while operating under intense regional scrutiny.
- Regional Security Director – Qassim Sector 2013 – 2016
  - Directed base-level security, readiness, and operational planning across strategic command centers.
  - Facilitated large-scale training exercises and regional coordination across internal forces.
  - Led emergency response initiatives and community protection drills.
- Operations Coordinator – Taif Command Zone 2004 – 2013
  - Oversaw security and ceremonial operations in the western military district.

- Managed sensitive troop movement protocols during the annual Hajj season.
- Coordinated inter-agency readiness exercises and oversaw logistics for VIP visits.
- Security Liaison & Intelligence Officer – Eastern Province

2002 – 2004

- Managed protective security operations in oil-rich zones including Dhahran, Abqaiq, and Jubail.
- Built emergency evacuation and sabotage response plans for industrial facilities.
- Liaised with Aramco and civil defense forces to develop joint security frameworks.
