## PROFILE

As someone who values innovation, I admire the forward-thinking culture of your company. I'm confident that my technical skills and teamwork can help streamline processes and boost efficiency. With my up-to-date knowledge of technology, I look forward to contributing meaningful improvements that align with your goals.

## WORK EXPERIENCE

### EJADA Company | Egypt - Giza

IT technician - Customer services

Jul 2023 - Apr 2024

Diagnosing and resolving hardware issues and installing software to enhance company operations. Also, I interacted with clients to discuss financial matters and negotiate solutions that satisfied everyone. This experience sharpened my ability to manage sensitive discussions and foster positive relationships with customers.

### BlackStone | Egypt - Nasr City (Internship)

Web Designer - Social media consultant

Feb 2023 - Jun 2023

I acquired expertise in HTML, CSS, JavaScript, and responsive design. I focused on creating user-friendly interfaces and enhancing the overall user experience. I also worked as a social media coordinator on Facebook, turning text-based ads into eye-catching images and making posts more attractive to the audience.

### El Bawadi Company | Egypt - Alsharqia

Sales Representative

Jan 2022 - Dec 2022

Responsible for enhancing sales by building strong customer relationships and presenting customized product offerings. Achieved daily and monthly sales targets by identifying customer needs, driving strategic offers, and providing exceptional service to maximize sales opportunities.
